OVER 45 YEARS OF FAMILY BUSINESS

Welcome to Brim Tractor Company, formed back in 1967 by Bill and Margaret Brim - and still family owned today by their son Dan Brim and his wife Teresa, who continue to interact directly with customers in order to insure their satisfaction. They opened their first store in Lynden, WA and, since then, have expanded to five additional locations: Chehalis, Pacific, and Mount Vernon in Washington; Salem and Eugene in Oregon! Come see what sets Brim apart from its competitors.

A legacy of **INTEGRITY** and **INNOVATION**

OUTSTANDING SERVICE

It's you – our customer – that keeps us coming back with better, faster ways to serve you. We have a knowledgeable, full-service sales department that has both new and used equipment to meet your needs. Our parts and service departments are fully stocked with almost anything you can imagine, and – if we don't have it in stock – we can get it fast with next-day delivery for parts orders. Our factory-trained service technicians are available, day or night, to answer any questions you may have. Our overall goal is to get our customers back up and running as soon as possible.

Get What You Need
WHEN YOU NEED IT

With a history of innovation in agricultural equipment, New Holland has been serving the needs of farmers and ranchers across North America for more than 110 years.

New Holland manufactures a wide range of equipment, including a full line of tractors; hay and forage equipment; and harvesting, crop production and material handling equipment. New Holland also manufactures a compact tractor line using the same comfort and easy to use features and technology designed for larger tractors.

BRAND NAMES QUALITY PRODUCTS

Each Brim Tractor location specializes in different products depending on its location and market — with expert personnel at each location for each market. We have Bad Boy zero-turn lawnmowers for the consumer market and compact utility tractors for the part-time farmer (New Holland and Yanmar). We have many specialty tractors for orchard and vineyard (New Holland), hay and forage products from small square balers to large round and square balers, self-propelled forage harvesters (New Holland/McHale), combines (New Holland), construction equipment (JCB, New Holland), skid steer loaders, excavators, telehandlers, wheel loaders, and more! We also have premium products for municipal and grass seed markets for your everyday needs. Stop by one of our six locations and discover the possibilities that are in store for you!
