Service

PHS is dedicated to the long-term success of our growing customer base. Our technical staff has over 150 years of combined knowledge and experience installing and servicing print and finishing equipment. All of our technicians are factory trained and cross-trained on multiple equipment lines. Whether it's a one-time service call, an emergency need or a regularly scheduled preventative maintenance visit, customers can be assured they will receive the most thorough and complete service in the southeast.

Operator training is a key element of our customer service philosophy. A fully trained operator will yield the maximum efficiency from the equipment, minimizing down-time through proper use and care. A confident and well trained operator will also take more pride in their equipment and work.

Any service call can be scheduled by phone, email or online at paperhandlingsolutions.com.

Supplies

PHS is committed to providing customers with the best experience not only with equipment and service, but also with supporting customers' consumable supply needs. We offer a wide array of supplies for support of almost any equipment and finishing need.

Aerocut Finishing Systems

Start with MBM Corporation

Whatever your print finishing needs, look to the leader in paper handling equipment for the products that keep you a step ahead. From cutting to creasing to folding, MBM has your digital finishing covered. Our tabletop folders, trimmers and cutters, collators and booklet makers offer the perfect combination of speed, precision and ease of use, making them ideally suited for small offices, schools and corporate environments. For single-pass slitting, cutting, creasing and scoring look no further than the Aerocut Series. The Aerocut Nano, Aerocut Velocity and Aerocut Prime are all-in-one finishing systems that will take your digital production to the finish line.

In the race to a perfect cut, crease and fold, the smart money is on MBM Corporation. Whether your market is offset, digital or both, MBM has the equipment to keep you a step ahead.

For more information, contact Paper Handling Solutions, an exclusive authorized MBM dealer!
